

**Christmas Exam Basket Party** (early December - date TBA):

Parents Club members get together at a Club member's home on the Saturday morning before final exams begin to stuff goodie bags with homemade treats baked and donated by parents. The goodie bags are delivered to all Georgia cadets at the Academy the following day. The host family supplies chili, and all parents bring a covered dish or dessert and drinks to share with the group. After we stuff the goodie bags and ourselves, the Club conducts a short general meeting. This is a fun time to catch up on our cadets and count the days until they are home for the holidays!
