 Give Air Force Academy Tervis Tumblers for UPT graduation, deployment welcome home, promotion, retirement, and more. What a fantastic & affordable gift for cadets and grads to give their parents, sponsors, instructors, friends & others!  
 Order travel & straw lids and a handle too! The handle is black & easily slips onto your 24oz tumbler.

Tervis Tumblers have been proudly **made in America since 1946**. Their unique double-walled insulation **keeps hot drinks hotter longer and cold drinks colder longer**. This inventive feature also **reduces condensation & rings** on your furniture, essentially eliminating the need for coasters. Tervis Tumblers are **microwave, freezer & dishwasher safe!** You take your Tervis everywhere—work, the car (fits in car cup holders!), the game, and everywhere in between. Tervis makes these tumblers with an ultra-strong seal so they can withstand the freezer, dishwasher, and microwave. Tervis Tumblers are **guaranteed for LIFE!** They are virtually indestructible. They won't crack, melt, shatter, or chip. If they do somehow break (despite following care instructions), Tervis will replace your tumbler, guaranteed.
