## **Membership Financial Assistance Request**

(Confidential to Club Presidents)

We do not want membership dues to be a barrier to membership in the Georgia Parents Club. Our Club relies on membership dues to operate club events and support our cadets as well as full participation of volunteers throughout the year. We understand that financial situations change for families and we seek to be inclusive. We offer a limited number of 1-year scholarships for dues depending on the Club's financial position for the membership year. Please complete the following request form.

### **Appointee/Cadet/Cadet Candidate Information**
